Repudiate Revolt

The reaction as a result of the circulation of contracts in Halifax county among members of the Tobacco Growers Co-operative Marketing Association and indicating a revolt against that organization has become so marked that the business men of South Boston have held a mass-meeting and have disavowed the undertaking.

Resolutions adopted at this meeting in effect say that the contracts were circulated by three individuals who did not previously announce their plan. This course of action is described as unethical and the whole undertaking is condemned. One clause charges W. E. Hazelwood, W. S. Holt, Jr., and W. L. Seymour with full responsibility for the action taken.

It was learned today that loyal members of the "pool" were preparing to visit tobacco barns on South Boston by securing pledges from tobacco growers to deposit their tobacco at Halifax and not at South Boston.

The women and anti-Klanites of Texas, last Saturday nominated Mrs. Meriam Ferguson over Judge Robertson by 100,000 majority for Governor of the great State. She is pretty, sensible and with the aid of Jim, her husband, who was impeached as Governor, she will give the State a great administration, especially with reference to the primary schools. She told her husband she would vindicate the name by appealing to the people—She did so and now has the right to feel good and we congratulate her and the people of the Lone Star State in having the first lady Governor of the United States.

Our early farmers are beginning to house tobacco. A great crop of worms is reported. The crop is only fair in quality and is not more than half crop for this the best dark tobacco country in the world. The corn crop has been improved by recent rains, but that also is short at least one-half. Farmers are nursing the crop and with prices of all farm products advancing hope to realize a good price for the weed. If you have been delaying the purchase of that farm a quick decision will probably be best now. Farms are bound to advance with the rising prices.

Prof. Crawley, financial chairman of State Parent Teachers Association has interested a wealthy lady in Philadelphia, who has sent in a nice check to state headquarters for state work. Mr. Crawley has an engagement to address the Lion's Club, of Lynchburg in behalf of the unprivileged child.

Geophone

The geophone is an instrument invented during the World war for the purpose of detecting enemy mining operations. The first one was used by the French and had a radius of 75 yards. The United States developed one that had nearly one-third greater range.

Might Wear Them Out

A floorman was buying on a foot sight's business trip, and called back as he left home: "Good-by, all, and Katherine, dinna forget to mak' nettie Donald tak' his glasses off when he's na looking at meething."—Wisconsin Agriculturist.

Can Hear Feather Fall

The noise made by the fall of a feather can be heard by means of that wonderful invention, the microphone, which is so marvelously attuned that with its aid one can hear a tiny bit of tissue paper quite distinctly as it alights on a table.

Doss—Baldwin

James Doss, son of Mr. and Mrs. J. M. Doss, of this county, and Miss Virginia Baldwin, of Pamplin were united in marriage on Saturday, August 16th at Welch, W. Va.

They will reside at Panther, W. Va., where the groom is in business. We wish for this couple long years of happiness.

Miss Laura V. Isbell

Died at the home of her brother in this county at Stapleton Tuesday. She had been in ill health for some time and for three days had been failing rapidly. She is survived by one sister, Miss Nannie P. Isbell, and two brothers, William E. and Charles Isbell all of Stapleton. Interment was in the family burying ground near the home.

Burge And Nurse Needed.

How'd you like to be a cop?

Any man with a little nerve and a hazy has the right to Hardin down and the rest of the Old Dominion, to enforce the laws of the county and state according to R. W. Bosher, chief of Houston County Police Court, obtain nothing about impersonating an officer.

All you have to do, according to Officer Bosher, is "put away with it."

And plenty of designing men are getting away with it, he said in connection with reports made by police officers of the county.

But, when you do play policeman, don't forget and try to collect fines on any thing else, Officer Bosher warns. Then the county authorities must be reckoned with. Extortion and other charges will be made.

Most of the cases mentioned by Mr. Bosher were minor infractions of the custom and not of the law. Several, however, came under the latter head.

V. M. I. Enrollment is Unprecedented.

Enrollment at the Virginia Military Institute to date is unprecedented, a letter from Gen. E. W. Nichols, superintendent of the institution, to Colonel Joseph Button, a member of the Board of Visitors, states:

"We have accepted 410 old cadets and 250 new cadets, making a total of 660, which, of course, is more than we want, owing to limited facilities." General Nichols said in his letter. "The excess will take care of casualties and should result in a full institution throughout the year. We established a waiting list on July 26. On this list there are about thirty names and every mail brings applications and every day telegrams and letters asking us to place names on the waiting list."

Health Insurance for the Whole Family

CHEVROLET

Without counting the daily utility of a Chevrolet for going back and forth to work, shopping or taking the children to school, etc., its value in saving doctor's bills, broadening your mental horizon and keeping the whole family physically fit, amounts to more than the cost of the car and its upkeep. It is more of an essential to the modern family than anything else but a home. Chevrolet meets the requirements of the modern family because it is economical to buy and maintain, because of its excellent appearance and riding comfort, because it can be depended upon, and because it is so easy to drive that any member of the family can use it.

The Only Three-Story Store In Appomattox With An Annex Added

FARMS—STORES—RESIDENCES—LOTS

In and Adjoining the Town of Evergreen, only 5 Miles Appomattox, 7 Miles Pamplin

Known As The

C. S. McDEARMON Property

Subdivided

AT AUCTION

Wednesday September 3rd, 10:30 A. M.

This property offers better advantages than can be had any where in this immediate section. Evergreen is located right on the main line of the N. & W. Railroad, some of the McDearmon property being within a few hundred feet of the Station, and the farthest out farm, not over half a mile.

The survey for the New Lynchburg to Petersburg, State Highway has been made, and this runs through the property.

Nothing enhances property in value more than being close to a good highway. Here you will have it running through. Look the property over and figure out for yourself, its chances for the future.

Farm implements, and the stock of the store, consisting of General Merchandise will be offered at the sale also.

J. D. O'BRIEN.

The Appomattox County Fair is rapidly approaching. October 15, 16, 17, and 18. There are many farmers and housekeepers who are now preparing exhibits. Get ready and lets keep our Fair the best on the circuit. 8-28-4t

Miss Frances Jones, daughter of E. E. Pendleton Jones of Nassawadox, Va., and a recent graduate of University of Richmond, is a guest of Misses Mary Taylor Gills and Lucille and Kate O'Brien.

Mr. and Mrs. Murrell Via and daughter, Mary Louise, Mr. and Mrs. Dewey Boswell, and Miss Ruth Caldwell, of Lynchburg, motored over and spent Sunday in the home of Mr. and Mrs. R. E. Caldwell Sr.

Misses Mildred and Elizabeth Trent have returned from a visit to relatives in Norfolk. They were accompanied home by their cousin, Miss Ruth Coleman. Misses Jane and Margaret Crawley, of Farmville are also visiting the Misses Trent.

Deputy Sheriff Presley Pugh was in town yesterday in his new six-cylinder Buick presented to him by the Board of Supervisors of Campbell county, which he uses to a good purpose in running down bootleggers who travel the highways of Campbell.

Friday evening Sheriff McKinney, Deputy Connor and Justice Brown made a reconnoitering tour through Southside District and detecting the smell like a setter pup went straight-way to an operation which was burning out brandy. Andrew Mann, Ira Mann, (white) and John Williams, (colored) were captured. Daniel Mann was also in the crowd, but made his escape to Campbell county. The plant was brought in and four gallons of brandy, and the first three lodged in jail to await the action of the October grand jury. This is the third operation broken up in that community within the last two weeks. The indications are that Judge Hutcheson will have a busy term of the court.

FIRESTONE TIRES

The Source of Extra Mileage

FIRESTONE has come to the strategic position of being able to give greater tire value, through its twenty-two years of experience and growth.

Only the cumulative knowledge that Firestone possesses, the highly developed manufacturing and distributing organization, and the gathering of a corps of skilled designers and builders, could account for Firestone quality, add at prices so low as to create an extraordinary tire value.

The volume of Firestone production, permits buying economies, and the reduction of overhead expense. This, in turn, has made it possible to adopt superior, but costlier processes that have resulted in a big mileage increase.

Notable among these is double gum-dipping—a special Firestone process of first importance. In the majority of cord tires the individual plies of cord fabric are merely coated with rubber—known as "calendering." Firestone immerses the cord fabric in vats of liquid rubber then applies two coats of rubber to each ply.

The purpose of this is to overcome internal friction—the wear caused by one cord rubbing against another. The carcass thus built, is livelier, stronger, capable of delivering more mileage.

The above is cited merely as an example of how Firestone proceeds to give you greater value. In tread design and compound, in air-bag curing, rubber blending and tempering, bead and sidewall construction, you will find other advantages that enter into the ultimate result—uniformly greater mileage and increased enjoyment from your car. The volume of Firestone distribution enables us to offer the following reduced prices.

30x3	Special Tires	$ 6.35	Tube	$1.35	
30x3½	Cord	" 10.00	"	1.50	
30x3½	Cord	" 21.00	"	3.10	
32x4	"	" 27.35	"	3.60	
32x4½	"	" 27.35	"	3.60	
30x3½	Special Tires	$7.35	Tube	$1.50	
31x4	Cord	" 19.10	"	2.95	
33x4	"	" 22.00	"	3.35	
33x5	Truck Type	" 36.95	"	4.50	

Firestone prices carry a saving in dollars and cents that you cannot afford to miss. Come in and let us talk it over with you.
